General Comments

Coming in activity: Bear First Aid

A note should go out the week before reminding JSs to bring along a teddy to this week's meeting. Leaders should bring some spares.

A spare game, activity, cooking and coming in activity have been added to this program.

Notes:

Coming In Activity: Bear First Aid

Equipment: Bandages (preferably old ones) and spare teddies, band-aids, tape

Method: Have a First-aid centre ready for our visiting bears, with band-aids and bandages and tape. Allow JSs to test out their bandaging skills. If you like you can make or include anything you feel JSs would have a go at such as: stethoscope, reflex hammer, thermometer, play syringe, auriscope, laryngoscope, bandages, plastic gloves, wraps, cold compresses, gauze pads, surgical tape, tongue depressors.

**Game:** Teddy Bear Relay

Equipment: Teddy Bears

Method: Form two or more teams. Each 'team' is given a Teddy Bear, JSs line up and one by one run from one end of the course to the other while holding their teddy bear. When they return to the starting point, they give the teddy bear to the next JS. If the teddy bear is dropped during the run, the player must return to the beginning and start over.

Craft: Teddy Bears Playground

Equipment: Cardboard, straws, paddle pop sticks, pipe cleaners, Blotak and a box of tiny teddy biscuits.

Method: Ask JSs to make a playground for some tiny teddies. When they have finished give them some tiny teddy biscuits that can play there.

Game: Bears Drive Cars

Equipment: Blindfolds/scarves

Method: In pairs with one JS standing behind the other. The front JS with a blindfold is the "car", the other, "the driver" has hands on the car's shoulders. Using a cleared space, the driver steers the car, gently by the shoulders. Change over after a short period.

Cooking: Teddy Bear's Park

Equipment: A slice of bread per JS, butter or icing, and anything edible to build the park with, such as green coconut for grass, carrot slices for seats, or lolly bits and a knife for cutting shapes to make things in the park.

Method: Lay out all the bits in containers and have an example to get them started. Allow JSs to make their own park using what is available. The JSs can put all there slices of bread together to make one big park.

Game: Mr. Bear are you Sleeping?

Equipment: Nil

Method: One JS is the bear and they go a short distance away from the mob. This JS lies down and closes their eyes and pretends to be asleep. The mob moves toward him and says quietly "Mr. Bear are you sleeping?" The bear continues to sleep. The mob gets closer and asks the question again. This continues until the mob gets up to the sleeping bear. When they are real close they ask the question very loudly. The bear roars and tries to grab the JSs who woke him from his sleep. The JSs take turns being the bear.

Songs: Bear Hunt, The Bear song and an action Teddy Bear Song

Equipment: The word of your chosen song on a sheet, songs attached.

Method: I have included 3 different songs that are done in different ways: An action song, an echo song and the Bear Hunt is a repetitive song, which ever you feel most comfortable with.

The Bear song

The other day (echo)
I met a bear (echo)
A great big bear (echo)
A way up there (echo)

All together

The other day I met a bear
A great big bear a way up there.

Other verses done in the same fashion

I looked at him
He looked at me
I sized up him
He sized up me

He says to me
Why don't you run
I see you aint
Got any gun

And so I ran
Away from there
But right behind
Me was that bear

Then up ahead
I saw a tree
A great big tree
Oh luck me

But the lowest branch
Was ten feet up
I'd have to jump
And trust my luck

And so I jumped
Into the air
But I missed that branch
A way up there

Now don't you fret
Now don't you frown
Cause I caught that branch
On my way down

That's all there is
There ain't no more
Unless I meet
That bear once more

Teddy Bear Song

Teddy bear teddy bear touch the ground
Teddy bear teddy bear turn around
Teddy bear teddy bear climb the stairs
Teddy bear teddy bear say your prayers

Joey's Scouts act out the song using their teddy bears.

Alternative Activity: Teddy Bear skipping rhyme

The rhyme starts again for each skipper.
